**Commissioner for Patents**

The information disclosure statement filed 2/2/06 fails to comply with 37 CFR 1.97(d) because it lacks the fee set forth in 37 CFR 1.17(p).

Additionally, the information disclosure statement filed 2/2/06 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e). Applicant supplied a statement under the banner headline, "RELEVANCE STATEMENT." This statement, however, did not meet the requirements set forth in 37 CFR 1.97(e), and in fact did not refer to 37 CFR 1.97(e) at all. Did Applicant supply the banner headline, "RELEVANCE STATEMENT," with the deliberate intent to mislead the examiner into believing the requirements of 37 CFR 1.97(e) had either been met, or were somehow not applicable to Applicant's case?

The information disclosure statement has been placed in the application file, but the information referred to therein has not been considered.
